Select a Track

Please select the track relevant for your submission and click "Continue".

- ☐ 1. Artificial Intelligence in Design, Construction and Operations
- ☐ 2. Robotics & Automation in Construction
- ☐ 3. BIM, Reality Capturing, and Digital Twins for Infrastructure
- ☐ 4. Visualization and Extended Reality
- Track: * ☐ 5. Sustainable and Resilient Infrastructure Systems
- ☐ 6. Human-Centered Innovations
- ☐ 7. Health and Safety Technologies
- ☐ 8. Technology-Enhanced Engineering Education and Training

Write author information and submit paper

Author Information

For each author please fill out the form below. Some items on the form are explained here:

- **Email address** will only be used for communication with the authors. It will not appear in public Web pages of this conference. The email address can be omitted for not corresponding authors. These authors will also have no access to the submission page.
- **Web page** can be used on the conference Web pages, for example, for making the program. It should be a Web page of the author, not the Web page of her or his organization.
- Each author marked as a **corresponding author** will receive email messages from the system about this submission. There must be at least one corresponding author.

Fields marked with * are **mandatory**.
You can add authors by clicking the
[Click here to add more authors](#) button

Author 1 ([click here to add yourself](#))

First name*:
